“ I am so sad about this news. Ray Ray was special to me. He will always be in my heart. Part of my childhood in Tennessee. I loved him dearly. Every time I visited Tennessee, I would go see him. I am sad that I haven't been back home in quite a few years. His presence always lit a room up, He had such a calming presence. I had always hoped he would travel to the west coast to see me. He will be missed. My thoughts and prayers to his family he loved you guys so much. We had many of conversations about that.
