“ Ray will definitely be missed. He was a good friend. We saw Ray in Gatlinburg while on our honeymoon last month and I was able to introduce him to my wife, he gave me very encouraging words and said he was so proud of the way I have turned my life around and now helping others do the same. Those words meant the world coming from someone who knew me when... Rest in Peace Ray.

“ I've known Ray for about 20 years. His house was a safe place for me to go to in my teens and early 20s as I was friends with Cody and Jody. Ray always enjoyed talking with me about politics and music and always wanted the best for me and constantly reminded of my full potential whenever we saw eachother. Ray will be missed by many in the community!
