“ I met Regenia in High School. My class loved her and embraced her
as one of our own. She could light up a room once she trusted you.
I am so glad she came to our class reunion years ago. Her smile is
what I'll always remember about her. She is also one of the reasons
I taught for 35 years.

*Regenia, you've gained your wings and your perfect self. In the
words from a favorite hymn....*

*If I surveyed all the good things that come to me from above,
I want to stroll over heaven with you some glad day....*

(Carl L. Trivette)

*Thank you Regenia for making such a difference in my life. Thank
you for being one of the many to help me recognize and use the gift
God granted me.*

*Ibthought I heard bells yesterday. Now I know I did.... You gained
your wings....*
