

## Regina G. Long

November 27, 1958 - December 28, 2025

Regina G. Long was a remarkably beautiful and devoted wife, fierce-loving mother to 18 children, the quiet strength behind our large and formidable family, and a woman who made room at our table for all. Regina gave of her life to help so many others have a better life. She served behind the scenes and never asked for the limelight. With a heart big enough for 18 children, ten of which were adopted, 19 grandchildren and one great-grandchild, she made our home a place of love, training children, and the most heavenly meals prepared this side of Paradise. Regina measured her life in people, not accomplishments.

Regina left us on December 28, 2025, at the age of 67. She is survived by her husband, David E. Long and 17 of her 18 children; Jennifer Long, Sarah Nesbitt, Angela Steyer, Justin Nesbitt, Jeremiah Long, Matthew Nesbitt, Abraham Long, Josiah Long, Abigael Long, Sophia Long, Carissa Long, Isabelle Long, Benjamin Long, Zarrina Long, Brittnay Jorgenson, Tyler Jorgenson, and Gideon Long. Son Rupert Long is deceased.

Regina believed in God and placed her trust in Him for her eternal soul and salvation. She is celebrating with God and all the Saints that have gone before us even today!

There will be a Celebration of Life gathering of her family and close friends on January 10 at a private location in Knoxville. To leave a comment of honor and appreciation for her life, please visit the FaceBook page of David Long at <https://www.facebook.com/david.long.9674/>.
