“ *Rick was one of a kind. A little rough around the edges. LOL But he was a good person and the best husband and friend my Mom could have. He took very good care of my Mom. Rick taught me the importance of having a good work ethic. He also taught me enough carpentry to find a job and be a handyman. Theres an old saying, " you can give a man a fish or teach him how to fish". Rick taught me how to fish. Thank you, Rick. I miss you already. Loving regards to my Mom, Linda Jordan. ❤️💜💙*

“ Our condolences to Linda and all the family. We have fond memories of Rick and Linda. Some of our longest/oldest friends of 40 years. Dale remembers the day Rick bought his Harley from him. The following November they rode their bikes to Homestead to watch the Nascar Championship race. Rick was most definitely a Jeff Gordon fan! Tony Stewart won. They both enjoyed the race and the ride. This is only one of many memories from over the years. "Rick was a cherished friend and will truly be missed and remembered for ever"❤️  
🎈🌸🌸🌸🎈❤️ RIP Rick❤️  
"Love to Linda"  
Love, Dale and Tonya
