“ *My deepest sympathy to all my cousins and family. I know he will be missed. So sorry we can't be there but we send our love and prayers for all. I remember when he married my Aunt Mary and she had 5 kids. That says a lot about him. I remember him taking her fishing all the time. That was something my mom and aunt had in common. He took care of my Aunt Mary and her family so I will always be grateful for that.*
All our love,
