“ *Janice and Billy, I am so very sorry to learn of Roger's passing. I have fond memories of Roger going all the way back to English Creek Grade School. It had been a while since I had seen Roger, but he stopped often at my garage when he worked at John Deere. Roger was very quite in school as I remember, but we enjoyed talking over old school days when ever we got together. I know he will be missed greatly by his family and friends. RIP old friend.*

“ *My deepest sympathy to all the family. I remember Roger well as a high school senior the first year I taught, and I liked and respected him very much. Those feeling continued through the few contacts I had with him afterward. It was very sad to hear of his passing. Best wishes to all his family.*
