“ *I am sorry that I didn't know of Rosie's passing. My memories of her are her time working with SafeSpace. She loved our clients and worked so kindly with them. She really helped so many people in so many ways.*

“ Rosie was a dear friend and associated with the Newport Biker Church/ Victory Mountain Ministries for many years. She had many interesting stories to share about her past and during the time we knew her she was tireless in her efforts to help other people, especially women, with their material and spiritual needs. She was a giving person with connections to resources that helped her help others. She will be missed by our church family and in her community. Thank you Lord for the privilege to know her and the blessed hope that we will see her again.
