“ Well besides the fact yall spelled my name horribly wrong you could of just put Miller but it's Hutchinson lololol it doesn't change the fact that I am still his oldest daughter and that I love him and will miss him horribly!! I wish I really had a lot of memories I could share with yall but we lived in diff states n couldn't really see each other a lot but the times I did get to see him were always great times and I cried everytime I had to come back n leave him!! I wish we would have had more time but I'm happy he's not longer suffering or in pain!! Thank everyone for all the prayers over the yrs n esp the last few months yall have been good to my Dad and his wife Ginger!

Bob was a good one.. first time I ever met him might have been at the old smoky land motel in Gatlinburg..I think he might have been working at Edgewater at the time.. really can't remember.. but we stayed friends after that.. that's the kind of person he was..RIP
