“ I’m so heart broken to hear about Ruby passing away. But I’m also happy to know for sure she is in Heaven, a place we are wait to go. She had such a special love for her husband and all her children. Even if you wasn’t her child she’d love you and take care of you. I’m so very thankful God allowed me to grow up in a church with her. She loved me and my family and especially my Mamaw Flora. This picture was taken 9 years ago. Three very special women in my life!
