“ *Very belated condolences. I can't imagine what it's like to lose someone that age. I had seen the dates of Russell's birth and death, but only just now discovered this obituary. I'm a genealogist, and strange as it may seem, a 4th cousin of Russell's great-grandfather, Arthur Skaggs. I would love to hear from this branch of the Skaggs-Stark-Hazlett-Campbell line of the family.*
