“ Sue, Saxton, Sandon, Samantha, Sky, and Shannon -Barbara and I send our sincere condolences. You are all in our thoughts and prayers. Chip has been our neighbor and friend for many years, and Barbara and I have often commented to each other what a good neighbor he and Shannon were. He was always helpful, particularly when the leaves were falling. He was definitely different, and one could not help but like him. We will miss hearing his lawn mower running in the dark as he mowed his yard with the mower's lights on, and he would often ride by our home on his lawn mower on the way to his mom's. Chip, rest in peace dear friend. You will definitely be missed. Ashley and Barbara Morris

“ Jack and I have many fond memories of Chip. He stopped and visited with us a couple of months ago. He rented from us several years ago and loved Bradford Pear trees and proceeded to plant several in his yard. We had electrical wiring outside our house and Chip put it underground for us. Chip was like a son to us and in our conversation with him he told us that he had given his life to the Lord. We are thankful that we had that opportunity to talk with him. He seemed very happy and at peace. Chip will be missed by so many people.

“ Chip I love you so much can't believe you are gone. This is by far the hardest thing I have ever went through. I will miss your smiling face asking how my day was and warming up my spot in bed always wanting to make sure I was always taking care of. You were the best boyfriend you could be to me. It's sure going to be hard without you but the eight years we have been together have been the best in my life. All I have now are memories and I will hold on toothose the rest of my life. I just hoped you knew how much I loved you. Until we meet again. Love you so much. Shannon
