“ This hurts to hear of. Sarah (I know all the family called her Ev) but I always knew her as Sarah. We worked together years ago at WalMart, and we served on jury duty together two times I think. She was always the sweetest and funniest person around. Even when she felt bad, cause she was having troubles back then with sickness, she was still funny and said whatever she thought but always in the nicest way. She loved all her family ..
.especially those grand babies. I'll never be called Nance again by anyone without thinking of her. She always shortened everybody's name. We had some really good times. So so sorry. Nancy Swanger

“ Seth, I know you probably don’t remember who I am, but I went to Cocke County High School with you. You were a year ahead of me.

I know what you're going through. I lost my Momma in January 2022, and I miss her every single day. You'll never get over losing her. You just have to depend on God to get you through.

May God bring peace and comfort in your time of need.
