“ I never had the pleasure of meeting precious little Serenity. I only know her from the Amber alert. For some reason she completely filled my heart with love. And the loss filled my eyes with tears. I'm so sorry for your loss. I have been praying for your family daily as I'm sure many others are.

“ Tori, you and your family have been heavy on my heart since Thursday morning when you first shared about your daughter being missing on Facebook. I was praying intently and was crushed when you responded to me about her passing. I pray that God covers you in His peace and helps you in the ways that only He can. Serenity was a beautiful girl and I truly believe she's dancing with the angels. ☐■
