“ Dear Donny, I visited in your home quite a few times when I was dating Dale Phillips. We both always looked so forward to getting together with you. What a sweet and kind lady Sharon was...I loved talking to her. I loved hearing her talk about her family, especially your daughter. I am sorry to learn of her Father's passing. I still have my birdhouse he made and I will think of he and Sharon each time I look at toward my backyard. You guys are what I call good people. I will never forget the memories we shared. Your family is and will always be special to me. Thank you for your hospitality. The love you had for Sharon was obvious. I remember the work you were doing on the Mustang. You are in my prayers. Thank you again for being a good Christian witness to me and Dale.
