“ Ms. Mary ~ I am so sorry for your loss. I have such fond memories of Shawaune from our years of working together at Roses. She could brighten a room with her infectious beautiful smile.

“ In 1983, I met Shawaune in High school We've been sister's by choice. You don't have to ask she was so comical we often was like salt & pepper always adding mischievous. In high school when we graduated we got a ride after my mother took up to the Western Sizzling Steak House our 1st time in the backseat of one of our county sheriff's car. And yes those doors didn't open from the inside the officer was Lynn Shults was June 5th 1986. Someone decided that they needed our GMC BLAZER & so they got it. We didn't have cell phones then and my mom was in the front seat mind you with the graduated ones doing the Cruz from McDonald's to Rose's and all our friendly officer decided that he'd Cruz us as well lights on not only in the cars interior but those huge blue ones as well. Well of course we sat through it but by the time we got to the memorial bldg. Red light dispatcher went over the radio asking if we had any injuries because one had called Mr. James to ask why? in God's name his baby girl doing in the back of a police car. At that time calls could be placed over the air way. Then Lynn explained he was offering us a ride home due to theft of our vechile. Needless to say it was and is still in our history. The only time either was placed in a backseat law enforcement agency. And u am truly devastated by the loss of my sister of choice, my best friend I will need help dealing with this situation and but My Bible she blessed me with is closer to the heart. Forevermore will be an absence in my heart. God bless Mrs. Mary for Sister Shawaune was telling me a week prior she wished she could talk to the Big J as she was referring to her dad .Mr. James on father's day. God has answered her request but he knows that she will be greatly missed.
