“*Sheila was and will always be so important to our family. I never felt like she was my cousin because in my heart she was my sister. She was caring, dependable and fun to be around. I can't imagine being here without her. I love you Sheila "Bug". I'll see you on the other side. Rest in peace. You now can receive all of the blessings in heaven you so richly deserve.*

*Love.*

“*I always enjoyed getting to sit a talk with Sheila. She had such a bright personality. I loved getting to hear about the crazy adventures my husband Casey would get her in to back when him and Brandi were teenagers. We would always part laughing. I will miss having the chance to have more of those conversations.*
