“ *My sincere condolences to the Denton family. Losing someone so dear is devastating and no words can relieve that pain. I was a part of the family for over 27 years, until my wife Bonnie passed away nearly 29 years ago, but I continue to feel the kinship to this very day. I have known Shelia and her family since 1958. I know the hurt you are experiencing and pray that God's special presence will be near you and surround you with His special love. In these most difficult times, please know that my heart is with you and I share the pain you are having. I hope the memories of Shelia will ease your pain in these coming, days, weeks, months and years. I pray that in time, you will rejoice in the memory of the good times you shared with her. May God bless you all! Bill Collett*
