“ Oh aunt Shirley, where do I begin...I have sooo many fond memories of you and your children while they were growing up....you were always so kind n lift a helping hand when u could.....

You always called your siblings to chat n check in with them....you was the "go to" person in the family to keep the others informed on different things...and your siblings loved you...

You will be missed for sure!

You got to Heaven just in time to spend Christmas with your family that had gone on before you n I know your mom was standing at the gate to welcome you in...

I'll always have precious memories of you when I was growing up....

You were a very special person in my eyes....

Good night for now....rest in peace.....and I'll see you in the morning when it's my time

Love you, your niece
