Bud and Jean were Harry and my best, truest, and supportive friends. I always enjoyed being with them. I will miss talking to Jean as I called to check on her September 14. She certainly was a good and kind person. RIP, Dear Friend

“ It was a pleasure of my life to have met and learned so many things about canning and many other things from granny Jean and hearing about the history of Cosby back in the day from Bud. They will both hold a special place in my heart and my daughter Kayley's as well. Of all days for her time to come I think it's precious that she was able to reunite with her beloved husband on his birthday ❤️

“ So sorry to hear of the death of Jean. I'll always remember the first time Kay and I visited their home. While I interviewed Bud for a series of articles about Cosby, Jean and Kay enjoyed their visit in an opposite corner of the room. We became close friends that day and remained so through the years. They were lovely people.
