“ Kevin, old buddy. I am so very sorry to hear of Shorty's death. You lost your best friend and Bear lost his 'mommy' hear at Christmas. It was a delight to see her come with you when bailing hay. She always made me smile. I know it will be a rough start in the new year. Sharron and I are praying for you and your family during this difficult time. L'm so sorry that I could not be there for you but you and your family are in my thoughts and prayers daily.

“ To my Dearest Friend Eva: Words cant express what I really feel for you. Shorty was No doubt a Mommas girl. She loves you more than you will ever know. She always had a funny story to tell me about you and those babies. Not one time that I ever seen that woman did she ever frown. Always happy and cheerful. You were her ROCK. You made a special girl when you had Shorty. Her smile and personality would light up a room and if you think about I'd say her smile and laughter is lighting up the space in heaven. I am so thankful that I got a chance to get to know her. I will forever be grateful for our laughs and memories. Eva i know this isnt gonna be easy but please know you have lots of friends and family that love you tremendously. Your friendship goes beyond friends with me. You are my family Eva and I cant stand the thoughts of your hurt and pain. Its tearing me into pieces. I want you to know i love you with all my heart n soul and i will ALWAYS be here for you.....

For Marta: Honey I am so sorry you loss of your sister. I know you are never gonna get over this but if you look at life like Shorty did she wouldnt want you to be upset. She would want you to laugh as much as you can til your face hurt. You meant the world to her. She always talked about you and the babies as nd tell me stories about yall. Shorty would want you to keep a positive perspective about this. Her life was so full of love and she couldnt give enough of it. I hope you can find peace. Shorty would want you to be there and to be strong to take care of yalls momma and the babies. I loved your sister and I really want you to know how much she Loved you.

To Kevin: Wow. You were Shortys love. She always bragged about how she had the best husband and how you take such good care of her. I know your gonna feel lost without her. She sure could make a body happy. I'm not gonna tell you this is gonna be easy especially many days months yrs later but you have to trust God that Shorty is in a much better place. I really hope you can find peace and understanding. Just remember You were Shortys life and that she will always love you.

To R.V. I just want to say Thank you for taking care of my dear friend Eva. She is lucky to have you. All her kids are lucky for you to be in their lives. Shorty was so happy that her momma had someone like you to take such good care of her and to help show the Lord in their lives. She always praised how blessed she was to have you in their lives.

To all other brothers n sisters: I knew Shorty always talked about yall and the love she had for each of you but I personally didnt know any of you just names and that you were siblings. She spoke alot about all of you. I know shes smiling and dancing wherever she reminiscing about the good ole days with yall. I was truly blessed to know Shorty.

*My heart goes out to each of you. I will continue to pray for everyone during this difficult time and so on. I hope that all of you can find peace, understanding, and much comfort through time. Just Remember that Shorty loved all of you and shes smiling and dancing among all the other Angel's. God gained him a Special Angel when he took Shorty. Go Rest High on That Mountain Shorty!
With love,
