“ *Stevie you are one of the people that I could always talk to. You were never judgemental and your word was as good as gold. I will miss you my friend. God must need you up there so I'll see you when he tells me to click in. I haven't cried over someone dying in a long time. I guess the world has turned my heart into an icebox. I have cried like a baby since I heard the news. The world won't ever be the same. Rest in peace my friend.*

“ On behalf of my family in New Jersey, I would like to extend our sympathy and prayers to those he left behind. He certainly was a character and left us many memories to cherish. He, for the short time he spent with us, loved and respected me, my husband, our sons and my father. Steve worked hard up here and did his share of having a good time too, but it was all some innocent fun. We have pictures, that if anyone would like copies, please let me know, i'd be more than happy to share as he is your family. He was called and respected by US as Hillbilly, RIP Hillbilly, we loved you.... Greet Big Kenny and Papa for us as we know they saw you coming there way. RIP Steve... Til we all meet again someday... Prayers for the family.. The Harris Family....Melinda, Jacob, Kenny III and Joey, Vineland, NJ
