“ I grew up with Steve, Lawrence, Carolyn and Lisa. I'm so sorry for your loss. Steve will be sadly missed. My fondest memory is a sleepover, that their parents let us have, when we were kids and went to Bridgeport School together. my love, thoughts and prayers are with the family. I'll be praying for your family to have peace. my deepest sympathy.

Steve may what you've sowed bless those pass what is seen and carry over to your next life. May your seed be blessed to grow and become the heir to your legacy of life. We don't always choose our path in life but you will be remembered by many even if misunderstood may God have mercy. I love the whole family. God bless brother see you in heaven.
