“ I will sure miss her. When we were growing
up and all of us kids use to play together ❤️
that's something I will never forget, especially
how close we all use to be. I guess when
you're double first cousins that's as close to a
sister as you can get. Teressa was one that would sure tell it like it is
and she was always the same every time you would see her with a
smile on her face, I will miss you but I know you are going to a
better place and one day we will all be together again.
