“ *In one of my fifth grade math stories Tommy became “Tarnished Tommy,” a knight in not so shining armor whose adventure against a dragon helped the class to practice various math skills. It was such a good story I used it for years with the students who came later! I will never forget Tommy’s smile and wonderful personality. Tommy’s phone number is in my phone (after seeing him at an event in Parrottsville). I thought of him only months ago, but didn’t make time for a call. I am so, so sorry for your loss and for not making that call.*

“ Prayers for Big Tommy and Debbie. This is so heartbreaking 💔 if there is anything we can do please let us know.

Memory ❤️

About 8 years ago I had to pick up Tommy for work when we worked together at Renner Trucking. We was always playing jokes on one another. He fell asleep about half way to work - I slammed my brakes and his head hit my dash. Let's just say the rest of the day I laughed my butt off while he was still mad at me 8 hours later. We shared a lot of crazy & fun memories. Fly high Hollywood you'll be greatly missed! 😞

“ *Tommy & Debbie: I am so very sorry to hear of little Tommy's passing. There are no words that I can provide that can comfort you but you both will be in my thoughts and prayers. He was always a joy to be around when I helped with the fire suppers and he always had a smile on his face and I will remember that fondly. My love to you both.*
