“Debbie, So sorry to hear about Tim. He was such a good Guy, Remembering times at Cosby High with all of us couples some have hung in there for several years as you all have. They don't have the relationships now as we we're lucky enough to get to experience. I thank God everyday and know you and Tim did too. It's not been a bed of Rose's but we all have mistakes and ups and downs. We sure are not perfect by no means, The Lord says for all have sinned and come short of the glory of God .But he Always loves us and will help us if we ask him. So thankful for Tim's life in the church. Praying for all of you in this sad time and asking God to comfort and help you in days ahead. We love you, Love, Vida and Hoover Williamson

“ *Debbie and Family:*

Our heartfelt sympathy to all in the loss of such a fine man, cousin, fellow Cosby student and friend. My favorite memory is the time he drove a bus load of my CCHS students to WSCC. "Prop Me Up By the Jukebox" was the current hit song and my students were singing it. He got on the microphone and told them, "If you're going to sing country, you've got to growl!" Then began singing along with them, while teaching them to growl. Such a fun, wonderful day. My students loved it. May angels surround you with love and comfort in the coming days.
