“ Me & my family had the privilege of meeting Tommy at Rocky Branch (where we all went .He was just like a daddy & papaw to me .He loved my children with all his heart ❤️. Our children have medical issues & Tommy would always ask about them.He was so devoted to the Lord Jesus Christ he help me many ways, just talking to him. About what my kiddos were facing, our youngest son had his 5th open 💜 surgery at Vanderbilt November 4,2020 & home on November 15 ,2020.We were so blessed to have him in our lives for a few years. God bless the family praying. But like he always said I'm going home. He was amazing. See you when God calls me home.The Blackwell Family.

“ My mother and father, Ernest and Shelby Boring went to church with Tom, they loved each other dearly. Tom loved my mother's okra, that was his Christmas present, she fried it up for him and I took her over to his house. He was so tickled with it. I remember sitting with him at church dinners, he never left without momma fixing him a plate to go. He referred to my daddy as his little buddy. He was a very special person and will be greatly missed.
