“ I’m so sorry for your loss. You and your family have all blessed my life and very special to me. . We have been together and created many memories years ago at Shoneys in Gatlinburg. This was some of my greatest moments., Treva was a strong woman who was outspoken, but thats what made her unique. She filled our hearts with laughter. She will be deeply missed and each of you hold a place in my heart. Love prayers.

“ Treva was one month older than me. We sure went trough a lot together good and bad. I loved her 😭😭 she was not just family we were friends 💔. She was blunt and to the point. If she wanted to tell you something she didn't hold back. She loved her family with all heart ❤️. Life wasn't good to her but she never gave up. I will miss her 😭 my heart is broken 💔 for 🙏 all of us. Treva you will never be forgotten we will always love you.
