“ So sorry Christy for your loss. Wayne was a dear friend and classmate (Cosby Class of 1977) he was always a nice guy. Hoover recalls the time they worked together with the Highway Department and the laughter and good times they had. We're remembering you all in our prayers and thoughts we loved Wayne and we do you too!

“ He was an honest man with the best work ethic I ever heard of. He loves old cars and was an artist when it came to building a vehicle. He built me one of the nicest monte Carlos around. Pretty sure every memory I have of him is him and a car.. my earliest and favorite was when I was a little kid and he gave me a ride in his GTO Judge. You will be missed and I'm keeping everyone in my prayers

“ *My heartfelt condolences to the Wardroup family. Keeping each one in our thoughts today and the days ahead for strength and comfort during this hard time. I didnt have the honor to know Mr. Wardroup personally but I know his son, & that alone says a lot about the man he was that will be deeply missed by all. Praying for you all.
