“ *Rick my prayers go out to you and Dione!! Vickie was one of the kindest and most loving people I have ever known. She had so many hardships in her life, so it was such a blessing when she found you. You were so good to her and Dione. I loved Vickie and will always think of her with good memories of the great friend she was. The wonderful thing about this is that she is now healed and healthy and in heaven waiting for us. I love you guys and if I can do anything for you please let me know.*

“ Vicki is our daughter-in-law. She is our daughter at heart. I will never forget the first time we saw her walking down the hall of my house. She is a wonderful person, I have asked for her opinion for several things, she always had an answer. I always said that Rick couldn’t have picked a better soul mate and that was what you were. Words can’t describe our feeling and our love for you. Walk these streets of GOLD and PRAISE GOD like you have been doing I am not saying good-bye, I will see you on the other side
