I remember Vick when he would see me as a patient many years ago. I never forgot him because of his quick wit and great intellect. I have been very proud to have married into this fine family and to have gotten to know Mr. Dunn better. He has left behind a great legacy of service to his church and community, a loving industrious family and many above average grandchildren. Above all, he set the A mark all men should strive for as a devoted christian father and husband.

“ Betty, I'm so sorry for your loss of Vic. He was a good Brother-in-Law that I could talk to about anything. He lived a good life and served God in many ways working for his church. He is in Heaven now where there is no pain, aches, troubles or worries. He's at peace now with his Heavenly Father. He will certainly be missed by all who knew him. I love you and I'm here for you when you need me.
