“ So loss for your loss of your mother and grandmother. She and creed was our next door neighbor when they lived in the old coggins home. A great neighbor and friend. She was the one who taught me to drive a straight shift. Good times.

“ Heartfelt prayers for Vinita's family and friends. God needed her to sing with his angels. I am sure she is singing with the heavenly choir! We can learn from the storms she weathered and kept her faith!

“ I worked with Vinita for many years. Memories include how much she liked to fish, camp, and just being outside. She spoke lovingly of her children and grandchildren and how much her family meant to her. She loved Jesus, and shared him with many. Even though she's home now with the Lord, she will be missed. Praying for her family.

“ *She's my "big sister". She used to take me fishing when I was little. I watched her make us a fishing pole using Mammy's straight pins, sewing thread, and willow limbs, with rocks tied on for sinkers. I even caught her once, but she didn't get mad at me.*
