

Virginia M. Westbrook

December 23, 1956 - April 22, 2025

It is with heavy hearts that we announce the passing of Ginger Westbrook of Parrottsville, Tennessee, who left us in the early morning hours of Tuesday, April 22. Ginger was a beloved wife, mother, grandmother, and friend, known for her warm spirit and her love of conversation with anyone she met.

Ginger shared a beautiful marriage with her husband, Kenneth Westbrook, for 30 years, having celebrated over 51 years together. In their journey through life, they relocated from their cherished home in Littleton, New Hampshire, to the serene surroundings of Parrottsville eight years ago. Ginger's kindness and infectious smile touched the lives of everyone she encountered, and she will be deeply missed by all who had the pleasure of knowing her.

Ginger was predeceased by her son, Richard Montanaro.

She leaves behind her devoted husband, Ken Westbrook of Parrottsville, Tennessee; her daughter, Kelli Olsen of New Hampshire; her son, Ken Westbrook of New Hampshire; and her cherished grandchildren, Richard Delibac of Pennsylvania, as well as Jessica Keene and Meghan Plante of New Hampshire, along with her great-grandson, Elijah Keene of New Hampshire. Additionally, she is survived by numerous cousins and nieces from Maine, Massachusetts, New Hampshire, Florida, and many other areas across the United States.

Ginger Westbrook's legacy of love and friendship will continue to resonate in the hearts of her family and friends. As we remember her vibrant spirit and unwavering kindness, we find comfort in knowing that she is at peace. Ginger

will surely be missed by all, but her memory will live on in the hearts of those she touched.

A celebration of Ginger's life will be held at a later date. In lieu of flowers, the family requests that donations be made in her memory to a charity of your choice.

Rest in peace, dear Ginger. Your light will shine on in our hearts forever.

“ Deepest Sympathies to all of her family, know I am praying for her and all of you. In 1957, our family moved right next door to hers, their Riverview St, N. Andover home. Her sister Anne was my age so we were friends but the Montanaro family were all so friendly, especially her Mom. Always ready to talk and invite you in, maybe Ginger got that from her Mom! Ginger made me aware later on in my life about how little things are so important. We had a piano, and once she told me how great it was when I was teaching her how to play it. I had forgotten about that! It's always the little things that are the biggest things in life. When I think of Ginger, it will always be with a smile.

Eternal rest grant unto her O Lord and let your perpetual light shine upon her. ❤️🙏

“ First, Ken my loving thoughts and prayers are with you & your family. I have missed you guys. I don't have just one memory of Ginger. Ginger & I quickly became good friends in our early teens. We had so many great times together along with the rest of our small circle of girlfriends. Once she was your friend she protected you & gave her love. I will always cherish those memories. She has been taken too soon. Ken, I remember how fast she fell in love with you, she fell hard. You both were the best for each other. She was so devoted to her family. Ginger, you will always live on in my heart. All my Love, Denise Donahue - Call
