“ Penny and Mickey my heart goes out to both of you. Wanda was very special to me as you know. We spent most of our young lives together. She was a very strong person, would do anything for anyone. One thing I know for sure is that she loved you two kids with all her heart. You two were the most important people in her life to her. She will be missed by everyone, but she knew that she was loved by all of us. If either of you ever need me please call me, I love you both very much. Wanda is with Mike now and she is happy, and free from pain. You will miss her for sure but she is in the hands of God now and she is doing good. God Bless you both and your families.
