“ *I was in the same graduating class (class of 1961) @ Cosby High School with Wayne. He was a most gracious and caring class mate - one I was proud to call friend. I was able to connect with him over the years at a number of class reunions sharing memories of days-gone-by. May God give Nancy and his other family members His bountiful grace during this time of loss and adjustment comforted knowing a time will soon come when you will be joined with Wayne again for all eternity! Praise God for the victory that is ours over sin and death through the blood of Jesus!*

“ To my auntie, with all the love my heart can give. I am so so very sorry. It has been my honor to call him Uncle Wayne from the beginning of my life. When I think of you auntie, I think of unk. You were a"team, not only a couple. May God be with you each and every day auntie for I know, how much you will miss him. With all my love auntie, or should I say, more like a mother and father to my brother and I. Xoxo Gary Wayne
