“ *Best Father in Law a man could ever ask for. He and I never had a harsh word ever. I loved him like a dad. He loved me like his son. We had an ongoing joke that we said to each other. He'd tell Christy he loved her, and he liked me. I knew my time w him was coming to a close when he told me awhile back that he loved me. What a wonderful man, that I will forever miss in my time here on this earth. I love you Pops!!*
