“ Wesley is my uncle and I have a lot of great memories of him. He always had a smile and a laugh that would make your day better! He carried himself as someone you could look up to. I remember him churning ice cream at granny's growing up and made a great Novak cookie. He's the one that taught me how to drive a stick shift in the little blue VW bug. I've got over 50 years of memories that brings a smile to my face and warms my heart. I want to let my aunt Hennie and my cousin Susie to know that the family and myself is heartbroken over this sudden loss. I love you guy's very much!
