“ *We will always remember the fun we had up at Allen's Missionary learning and singing the song , "Saved By Grace". Each of us had our parts including Willard, Ray Burleson, Clyde Hall, Terry Stuart, Norma Jean & Joyce.. The congregation requested it over and over. Hope our Lord will allow Willard to sing his part again. "When I reach that city, gates swing open wide I'm gonna sing redemption story of how he brought me from the other side".. Joyce Harris*
