

William C. Buda Jr.

May 13, 1952 - July 13, 2022

William “Billy” C. Buda, Jr, age 70, went to be with his heavenly father on Wednesday, July 13, 2022. He was an amazing husband, dad, brother, friend, coach, teacher, and an avid sports fan. Billy loved his community dearly and was a fierce supporter of education and sports here.

Billy graduated from Cocke County High School in 1970. He was a star running back for the Fighting Cocks. He graduated from the University of Tennessee before returning to CCHS to teach science and coach football. Billy coached the infamous “Buda’s Bandits” in the late 1970s. He coached many, many other baseball, basketball, and football teams in Cocke County over the years. Billy eventually became an insurance agent and retired from Farm Bureau after 25 years of sales and numerous accolades.

Billy is preceded in death by his parents, William Buda and Christina Buda (Newport), sister Janice Buda (Newport), grandparents Gus and Zoitsa Stephens (Greeneville, TN) and Alec and Zella Buda (Newport). Aunts and Uncles, William Darden and Lucille Darden (Johnson City) and Charles “Z” Buda and Annette Buda (Pigeon Forge).

Billy is survived by his wife Kay Sparks Buda, children Morgan Buda and wife Erin Dush (Michigan), Weston Bailey and wife Tessa (Newport), Meredith Fawver and husband Travis (Knoxville), and Malerie Bloomquist and husband Robert (Florida), and Papaw’s grandchildren Bridgette, Mason, Ben, James, Landon, Allison, Katelynn, Kara and Truman. Nephews Andy Tippitt (Knoxville) and Stephen Tippitt and wife Valerie (Knoxville), cousins Bill

Darden and wife Caroline (Johnson City) and Steve Darden and wife Anne (Johnson City), and best friends Steve McNabb, Chip Oury, Jay Graham, Blake Briggs, Pete Debusk, Grady Hughes and others at the Round Table. Billy was a loyal and devoted family man and friend who sought to help others succeed in life. His laugh and smile are remembered by many, and he will always be "Just Billy"!

Family will receive friends from 1-3 PM on Saturday, July 16th at Manes Funeral Home.

Special thanks to Smoky Mountain Home Health and Hospice and Tammy Francis.

In lieu of flowers, Billy requested donations in his honor to Cocke County Educational Foundation (call 423-237-0381 or visit Rich Lloyd's office, 261 East Broadway).

Graduated from CCHS with Billy a zillion years ago. I remember best his superb football player skills and his ordinary, jolly self. I last saw and spoke with him several years ago during a visit to Newport. Great to catch up. Sad to see him gone. Friends forever, Michael Shelton, Athens, AL

“ So sorry and saddened to hear of Billy's passing. After moving to Nottingham Dr in the summer of 1992, Billy and Kay were very welcoming. Morgan had recently been born. I couldn't have asked for a better batch of friends (Meredith, Malerie and Weston). Fond memories and the best summers of my childhood took place on that street. Billy played a big part. Prayers.

He was my Homeroom teacher, my science teacher, and insurance agent until he retired. I hated to see him go, but was glad he got to spend time with family and friends. Billy was a great man. He will be so missed in our community*

“ The very best ‘no hit’ pitcher in coach pitch baseball!! This happened to Billy the year our younger sons were in the game of baseball. I asked Billy how his team was doing, he says, “ great had a no hit game last night” I said “wait you are the pitcher to your own team!” He says “yeah, I know”. The best friend and man anybody could have. Prayers for all his family and everyone he touched. The Kings-Tony, Kathy, Chase and Brett

“ Bill and I have been friends for some 64 years. We first met in the first grade at NGS, and continued being classmates at CCHS and UT. We have since maintained a close friendship during our working years. Most of our frequent conversations over these many years were lighthearted - swapping jokes, catching up on the latest gossip, etc. - but on an occasion several years ago Bill turned serious. He remarked that he had come to realize that the most important things in life were not what one accumulated, not what one achieved in a career, but instead relationships - relationships with God, family, friends. He said that he worked very hard to build and maintain those relationships, and those of us who knew Bill well would say that he certainly succeeded in doing just that.

Rest in peace, my friend.

“ He took care of me as a kid at Edgemont as a football coach and in high school. He was such a great coach and mentor he always made sure my cousins and me never went without anything. He always treated us black kids with the utmost care and respect. He was 100% an Alabama man. He was a special person to me. My aunt Margaret used to babysit Bill when he was a child. I'm sending my condolences to all of his family and loved ones.

My sincerest condolences to the family. I have known Bill since we were 10 or 11 years old playing midget football, through high school, and at UT. His family was very supportive of mine, especially Z, at a time when it wasn't necessarily popular to do so. RIP Billy. I will miss you.

“ Kay, Morgan, Meredith, Mallory, Westin and Family. I am so very sorry for your loss. I am sorry for the loss for all that knew Billy. I first met Billy in High School where he was a teacher. I was a member of the Class of 1979 which was one of the classes that had the good Football team that Billy coached. One of my funny memories of him was in school I was his class aide my senior year and along with grading his papers one of my duties was to balance his checkbook and help him come up with a schedule where he could get everything he needed done after school and be in bed by 10:00. Lol ! Billy was a great coach because he was a great motivator. He could make the kids he coached believe in themselves and that they could do anything and I think that was his greatest coaching skill. He was one of Jay's best friends so automatically he became one of my good friends. Billy was always there for my family especially my sons. If we needed anything we could call Billy. His smile and bubbly sense of humor was contagious. You automatically smiled when you saw him because he always had a smile on his face. When we last talked he was so happy to be retired and all the fun he was having with his grandkids and "just getting up when he wanted and doing whatever he wanted". I feel so fortunate to have had him in my life and to call him my friend! My prayers are for you guys in the coming months for your peace and comfort. We will all miss him. Heaven gained a great guy!

So sorry for your loss. We've known Billy a few years and will never forget him. Especially through Morgan and Courtney's basketball years! He was so concerned when Courtney hurt her knee and went to the hospital that night to check on her. Sorry we could not be there with you as we are out of town but we are thinking of you.

“ All my memories will be from high school. After high school we went on different paths and only saw each other about every 5 years. During high school, Billy was one year behind me. He was one of the running backs for our 1967 & 68 seasons, # 48. In the 67 season, his shoulder was knocked out of place, and he had to have surgery. The next season, fall of 1968, he had to wear a shoulder brace to keep it from dislocating on its own. There were many times he was playing with pain, but played he did. His Mama, Chris, would bleach his socks for every game so she could quickly tell which player he was. She made his socks VERY white. During high school, I spent many nights at the Buda home, I think this was where I was when we found out Otis Redding had died. Before he got his drivers license, Buda had a moped. He drove that thing everywhere. This past year, I saw him at Park West Hospital. Since it had been a long time since I had seen him, I though I would just drop in unannounced. Now, I have changed a bit since high school. I walked in the room and whispered to Kay "I am Jimmy Youell". Billy was just barely awake, but she said go ahead and talk to him. I said "Hey Buda". He opened his eyes and looked at me like who are you. Then he grinned that big ole smile and said "Jimmy Youell". I can still hear his voice saying my name. I sure will miss that big ole smile.
