“ *Papaw Banana!!! We will forever love and miss you. I'm sorry we couldn't make it but I know you'll always be with us. Especially Dale. You made him a better man when he was around you. He loved you and so did I. You walk among the angels now. You were a great man, husband and father. And grandfather. I miss those days we spent with you. Laughing at the silly things you did. We love you and will miss you so much.*

“ We will meet again in a better world, our friend, for the promise of a grand reunion is His plan as we all ascend to Heaven as our time to join the Lord approaches. You've been a wonderful friend to so many in Del Rio and surrounds and your family's involvement in Del Rio life is remarkable. We know of no other fellow who is more admired by his friends and loved by his family. So while this is a sad day for all of us today we know that you rest in Heaven and when the day comes for us...you'll be standing there at the Gates to welcome us in. And it will be that grand reunion for those who believe in the Lord that will keep us together and forever.. That is the promise. That is the prize. Tom and Linda Rosberg
