“ *Oh how I miss you. I left flowers on your grave a while back. I miss spending everyday with you. I know it's been years but as a child you were my absolute best friend. I miss sitting in the tree at your grandmothers eating popsicles or candy. Or playing marbles in the floor of her living room. Skateboarding and playing basketball together. I truly miss you more than I could ever imagine. I came back looking for you 11 years ago only to find you're gone to soon. I'm so sorry. I love you so much ❤️*
