“ May your sadness be replaced with joy and your grief replaced with the loving memories of your sweet dad/husband. He is rejoicing with the Angels now and our sweet Jesus has his loving arms wrapped around him, telling him he is home and there is no more pain or confusion. Out of the darkness into the Light. Mark, I love you and am here for you.

So many memories of growing up in Chestnut Hill, four years of riding that school bus from Bush Brothers to Maury High with him and seeing him at the class of 59 reunions. RIP Willie my friend.
