“ Uncle Grant,

*I am so sorry to hear of Aunt Wilma's passing and it still doesn't seem real that she is gone but I do know without a doubt that she is in the arms of Jesus. She told me several times that she knew without a doubt that she was saved and ready to go when the Lord is ready for her. I know she had been sick for several years but she is no longer in any pain. She is in Heaven with my daddy (her big brother Jack) that she missed so much and other family members that are in Heaven. Thank you Uncle Grant for being a great husband, provider, nurse and caregiver to Aunt Wilma and also just for being a great man. Aunt Wilma taught me so much through the years and was always there for me and my siblings growing up. She was also there for my mama and daddy as well and always like a sister to my mama. Words cannot explain how much she will be missed and how much she was loved. One day we will see her again. You will be in my thoughts and prayers every day. I love you Uncle Grant.*

*Love,  
Debora Hembree Henson and family*
