“ *I remember this woman very clearly as I am the oldest grandchild mentioned in the obituary. It will be 13 years this April that this wonderful and amazing woman has been gone from our lives. She was the one who I looked up to for guidance, comfort, and love. She will never be forgotten by me or anyone who ever loved or cared for her. So here is to the great times I had with this woman up until I was the age of ten. I love you so much, Mamaw.*
