“ Zeta has been my friend since she moved to Newport. We shared so much, going shopping, eating out, yard sales, a few adventures, some is our secrets, sharing stories of life and our experiences, being there for each other even with e.r visits. She was always positive and fun to be with. This has been hard for me learn of her passing, I also know it has been a shock for her family, she spoke often of each one and she loved family very much. She also spoke of her Dad, she missed him dearly.
She will always be my friend and apart of my heart. Thank you Zeta for great memories and your friendship. Until then.
Love always, Trudy
